KACEY FOR LUCCHESI BOOT COLLECTION LAUNCH

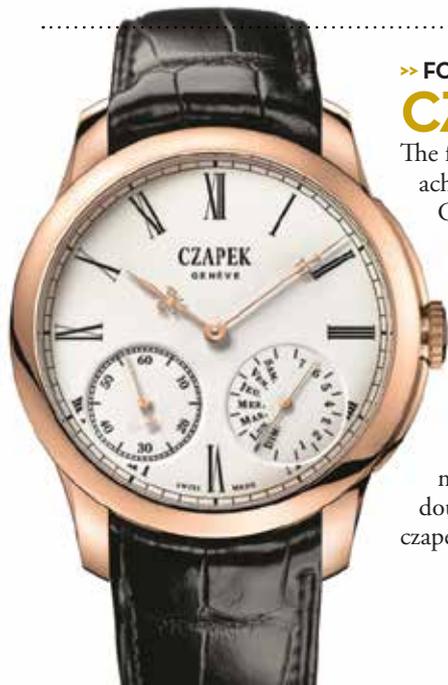

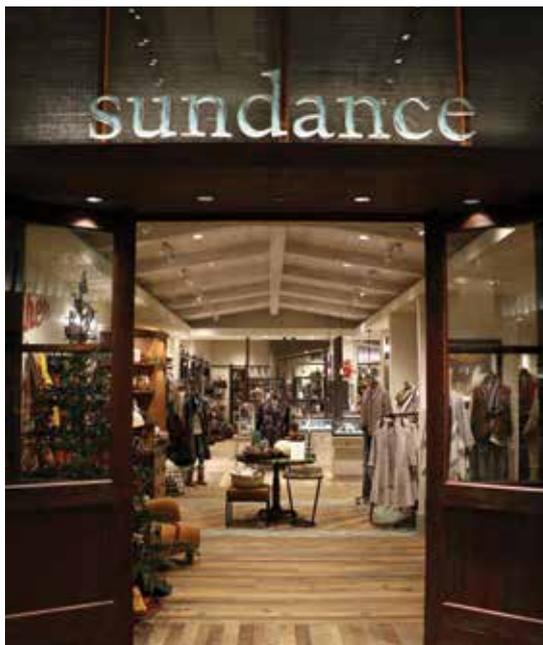

Lucchese, the iconic craftsman of handmade boots, launched the Kacey for Lucchese boot collection designed in collaboration with Texas native, Grammy-winning country singer/songwriter, Kacey Musgraves.

The collection includes four styles inspired by Musgraves' life and music. Golden Arrow, the collection's headliner, offers vintage Western style with a pointed kick. Constructed in marbled white leather, Golden Arrow boasts metallic accents and Musgraves' signature golden arrow on the side seam. "This boot is majorly influenced from a 1950s pair that are my absolute favorite ... I probably wear them at every show," Musgraves said. lucchese.com #KickingItUpWithKacey

CZAPEK & CIE

The fascinating Swiss watch company Czapek, a watch brand that achieved considerable success in the 19th century, has returned.

Czapek & Cie was re-established by three entrepreneurs with a passion for fine watches and outstanding mechanics. "Czapek deserves to be revived, he was one of the great watchmakers of the 19th century, who brilliantly combined precision mechanics with extremely refined aesthetics," Xavier de Roquemaurol, spokesman for the team, says. Czapek's timepieces, which are still coveted at auctions, reveal a quest for beauty through a poetic display of time.

The launch model is run on a manually wound proprietary movement with a seven-day power reserve featuring a mysterious double hand. Only 250 units will be produced in the first year. czapek.com #NoTimeLikeThePresent

VALENCIA GROUP SIGNATURE SCENTS

Acclaimed Houston-based hotel operator, Valencia Group, debuted a signature scent line consisting of premium room sprays and candles. In development for more than a year, the signature scents were created in partnership with San Antonio-based Soular Therapy, which earned national acclaim as innovators in the luxury home and personal care arena.

Indulging the senses is key to every Valencia Group stay, and the goal was to create unisex fragrances that would capture the independent style and personality of each of the hotel collection's three brands. According to Amy Trench, Valencia Group's corporate director of marketing and public relations, "Smell has an incredible emotional impact that triggers wonderful feelings of nostalgia. We would like the Valencia Group experience to be one that travels with our guests well beyond their visit, and we're excited to bring them back to their favorite places with our new signature scents line." valenciagroup.com #WakeUpAndSmellTheExperience
